

It's Show Time!

The Royal Adelaide Show 5 - 13 September 2008

The 2008 Royal Adelaide Show is almost here. If you are keen to participate we would love to hear from you.

This year our plan is to give the community a visual on preparing their property for the upcoming Fire Danger Season. We have a structure within the marquee that is set up with common things that people need to do in and outside their homes to make them 'Bushfire Ready'.

It will be our job to assist the general public when they are seeking information in preparing their home, and advise them of the types of activities they need to adopt when threatened by fire.

As a show volunteer, you will be provided with:

- A CFS polo shirt - to wear at the show while on the stand and keep as a memento
- A CFS hat
- 2 entry tickets – one for your entry on the day you attend the stand
- Meal vouchers

This years meals will be provided by the South Australian Country Women's Association and you will be entitled to either a lunch or dinner voucher, along with morning or afternoon tea depending on your shift.

To register your interest please contact **Natasha Huber by Friday 1 August 2008.**
